

## **SENIOR ELECTRONICS TECHNICIAN/TECHNOLOGIST**

**(Category: Permanent, Full-Time; Location: Chalk River, Ontario)**

BTI is a dynamic company with world-renowned expertise in radiation detection, addressing applications in the defence, homeland security, space, industrial, and medical sectors. BTI is seeking a Senior Electronics Technician/Technologist to support a full range of R&D, product development, and electronics manufacturing activities.

Candidates must meet the following profile:

- For security clearance requirements, candidate must be a Canadian, US, or UK citizen with a 10-year verifiable history and will be required to provide a criminal record check as a condition of employment.
- 10+ years of experience in electronics/electrical design, fabrication, assembly, or trouble-shooting, with a 3-year diploma from an Electronics Engineering Technology program. A 2-year diploma from a recognized Electronics Technician program, with particularly relevant experience, will be considered.
- Proficient in prototyping, fabricating, and reworking electronics assemblies, circuit card assemblies, and cable assemblies.
- Excellent hands-on electronics and mechanical skills for assembly and test of prototype systems, as well as for trouble-shooting both systems and board-level components.
- Able to read and understand functional block diagrams, electronics schematics, circuit card layouts, and wiring diagrams. Able to read and understand mechanical drawings.
- Familiarity with assembly and trouble-shooting of analog electronics is an asset.
- Able to perform work in accordance with quality control procedures and produce associated quality documentation.
- Proficient in the use of Microsoft Word and Excel.
- Excellent interpersonal and communication skills for working within a multi-disciplinary team of scientific, engineering, manufacturing, and management personnel.
- Must be self-motivated, organized, receptive to constructive feedback, and able to learn quickly on a continuous basis.

Interested candidates must electronically submit a cover letter, résumé, copy of relevant transcripts, and contact information for at least two professional references to:
